& INFORMATION COMMAND**

Date:

Dear Business Owner/Operator

NSW POLICE CCTV REGISTER

The use of Closed Circuit Television (CCTV) surveillance in crime prevention has now become common across the Australian public and private sectors with CCTV recordings contributing significantly to criminal identification and prosecution. The NSW Police Force (NSWPF) has implemented a CCTV Register (CCTVR) to harness this valuable resource by recording the locations of CCTV cameras operating throughout the State.

The CCTVR aims to map camera locations to provide police with relevant details should a copy of the CCTV footage be considered useful in investigations.

Any CCTV installation information supplied to NSWPF will be protected. In the event that any CCTV footage may be useful, police will use contact details on the CCTVR to request access to the footage from owner/operators.

This initiative has already received widespread support from government and business. It compliments your business's ongoing efforts in crime prevention and community safety. I look forward to your support in registering the details of your CCTV installation.

For further information contact your local Crime Prevention Officer:

Constable Tracy Stone, phone 9879 9699

or the NSW Police CCTV Register team on (02) 8835-7602 or cctv@police.nsw.gov.au

Yours

R. J. Waites
Assistant Commissioner
